

RONISH PRAJAPATI

Lalitpur
9769378424 - ronishprajapati0@gmail.com

Professional Summary

Frontend Developer skilled in React, Tailwind CSS, WordPress, Shadcn UI, and Ant Design. Experienced with Zustand, Redux Toolkit, and TanStack Query for efficient state & data management. Strong in problem-solving and teamwork, focused on building responsive, user-friendly applications.

Professional Experience

Frontend Developer (ReactJs/Ts)

July 2024 to Current

Waveplus IT

- Built responsive and interactive UIs using React (JS/TS), Inertia.js, and integrated seamlessly with Laravel backends.
- Contributed to real-world projects including project tracking systems, e-commerce platforms, coworking space management, and student management applications.
- Implemented state and data management with Zustand (lightweight state), Redux Toolkit (global state), and TanStack Query with mutations (data fetching, caching, and real-time updates).
- Collaborated with backend and design teams to ensure clean UI/UX implementation, API integration, and cross-browser compatibility.
